

# WE ARE HIRING

## Freelance English Teacher

We are looking for Freelance English teachers to join our team with an immediate start.

About us: inlingua started in Switzerland in 1968 as a small network of language schools and is now one of the global market leaders for language services. Today, inlingua has more than 300 language centres worldwide and supports millions of language students from a wide variety of backgrounds in acquiring a new language. At inlingua NordWest we are a group of four inlingua language schools located in Oldenburg, Vechta, Leer and Wilhemshaven.

### WHAT WE CAN OFFER YOU:

- Flexible working hours
- An intercultural working environment
- Pedagogical training in the inlingua method and continual support
- A fair hourly wage

### WHAT WE EXPECT FROM YOU:

- English is your mother tongue
- You have a high level of education and professionalism.
- You enjoy imparting your knowledge of your language and country.
